

ALI ABDELBASIR ABDALLAH SHEHATA

Computer Science Engineer | Embedded Systems & Software Development

01279509616 • totyfruit11@gmail.com • [LinkedIn](#) • [GitHub](#) • Cairo, Egypt

Summary

I am a Computer Science Engineer with a strong focus on Embedded Systems and Software Development. I have hands-on experience in hardware integration and embedded software programming. My recent role as a Hardware & Embedded Systems Engineer at Aseel Control has equipped me with skills in PCB design, assembly, and integration of complex systems. I continuously seek to enhance my capabilities through ongoing learning in software frameworks like Django

Experience

Aseel Control

Cairo, Egypt

Hardware & Embedded Systems Engineer

09/2019

Aseel Control specializes in hardware and embedded systems engineering

- PCB printing, assembly, and soldering of electronic boards
- Developed embedded software using Arduino IDE for hardware control
- Participated in the Boxing Machine project as a core team member
- Contributed to multiple other hardware/software integration projects

Education

Benha University

Benha, Egypt

Bachelor's Degree in Computer Science

09/2022 - 06/2026

Languages

Arabic Native ●●●●●

English Intermediate ●●●●●

Skills

Gmail • GitHub • PCB • Arduino IDE • C/C++ • Python • SQL • Django • Tkinter • GUI • OOP • Data Structures • Arduino

Projects

Various Projects

Personal and collaborative projects involving embedded systems and software development

- Projects will be added from GitHub
